

REDISTRIBUTION AGREEMENT

This Redistribution Agreement ("Agreement") supplements the main OIDC Server Product License Agreement ("Software License Agreement") between you (as an individual or entity, "You") and Abblix Limited Liability Partnership ("Licensor"). This Agreement governs the redistribution of the OIDC Server ("Software") previously licensed to You under the Software License Agreement.

1. Definitions

- 1.1. "Software" refers to the "OIDC Server" software, including any accompanying materials, updates, and extensions, the copyright of which belongs to Abblix Limited Liability Partnership.
- 1.2. "Products" refer to any software, application, or program that You develop or distribute, incorporating the Software by way of integration as a dependency. For the purposes of this Agreement, "dependency" shall be understood to mean the inclusion of the Software within the Product such that the Product is dependent upon the Software for its operational functionality, yet the Software remains a separate and identifiable entity.

2. Grant of License

- 2.1. The Licensor grants You a non-exclusive, non-transferable license to redistribute the Software, in whole as a linked library form only, and solely as incorporated into your Products.

3. Licensee's Obligations

- 3.1. Redistribute the Software only as a part of the Products, which must provide added value by integrating, enhancing, or complementing the Software's functionality in a manner that results in a new, distinct, and valuable product offering.
- 3.2. Include Licensor's copyright notice in every copy of the Software distributed, in accordance with Licensor's instructions.
- 3.3. Include the following statement in the documentation and/or end user license agreement of the Product(s): "This product contains software licensed from Abblix Limited Liability Partnership. Copyright [Year] Abblix Limited Liability Partnership. All rights reserved." (Replace [Year] with the year in which the license was granted.)
- 3.4. Not use Licensor's name, logo, or trademarks to market or promote your Products.
- 3.5. Indemnify, defend, and hold Licensor harmless from any claims, damages, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or in connection with your distribution and/or use of the Software.

4. Restrictions

- 4.1. You shall not sublicense, rent, lease, or sell the Software separately from the Products.
- 4.2. You shall not modify the Software in any way.
- 4.3. You shall not distribute the Software with any malicious code, viruses, or any software that may infringe upon or violate the rights of any third party.

4.4. You shall not redistribute the Software, or any part thereof, in a form that allows it to be used or accessed in a manner similar to how it is provided by Licensor, including but not limited to, the redistribution of the Software as a standalone product, a mere wrapper, or any derivative work that primarily aims to expose the functionality of the Software with minimal or no modifications.

4.5. You shall not create or distribute derivative works that simply repackage, relay, or make the Software's existing features available under a redistribution license without adding significant value in the form of new features, substantial enhancements, or integrations that extend the utility and application of the Software for end-users.

5. Disclaimer

5.1. To the maximum extent permitted by applicable law, the Licensor and/or its partners shall not be liable for any loss and/or damage (including losses due to lost commercial profits, business interruption, loss of information, or other property damage) arising from or in connection with the use or inability to use the Software, even if the Licensor and its partners have been notified of the possibility of such losses and/or damage. In any event, the liability of the Licensor and its partners under any provision of this Agreement is limited to the amount of \$5. These limitations cannot be excluded or limited under applicable law.

6. Termination

6.1. This Agreement shall terminate automatically if You fail to comply with any of the terms and conditions of the Software License Agreement or this Redistribution Agreement.

6.2. The provisions regarding the Disclaimer, Licensee's Obligations, and Restrictions shall survive the termination of this Agreement.

6.3. Upon termination of this Agreement, you shall immediately cease redistribution of the Software.

7. Governing Law and Dispute Resolution

7.1. This Agreement is governed by the laws of the Republic of Kazakhstan. However, should any disagreements or disputes arise between the parties, they may mutually agree to resolve such disputes either under the jurisdiction of the courts of the Republic of Kazakhstan or the Astana International Financial Center (AIFC), the latter of which operates under English law. Both parties explicitly consent to the chosen jurisdiction.

7.2. In the event of any dispute, controversy, or claim arising out of or relating to this Agreement, or the breach, termination, or invalidity thereof, the parties shall first seek to resolve the dispute through good faith negotiations. This process should involve direct communication between the parties or their designated representatives with the aim to reach an amicable settlement. If the dispute cannot be resolved, then either party may proceed to litigation as described in section 7.1.

7.3. If any provision of this Agreement is held to be void, voidable, unenforceable, or illegal, the remaining provisions of this License Agreement will remain in full force and effect. In the event of a conflict between the terms of this agreement and the terms of any software product license agreement concluded between you and the Partners or the Copyright Holder, the terms of such a license agreement shall prevail; in all other respects, the terms of this agreement and such agreement shall apply.
